STATUS REPORT ON LOS ANGELES INTERNATIONAL AIRPORT (LAX)

On June 29, 2004, your Board instructed this office to prepare a report on the "Consensus Plan for LAX" approved by the Los Angeles City Airport and Planning Commissions, and the "Alternative Plan for LAX," as submitted by Los Angeles City Councilmember Bernard Parks. Your Board further instructed that the report include comments relating to the May 24, 2004 Lazzaretto & Associates report entitled, "Statement for the Record Regarding Inadequacies of Responses to Comments on the LAX Master Plan Final Environmental Impact Study/Environmental Impact Report (EIS/EIR)."

This office has engaged Lazzaretto & Associates to review both plans, provide a summary, and comment on how the plans address County concerns regarding the LAX Master Plan EIS/EIR. We are targeting submission of this report to your Board by August 12, 2004. Please note, this report will also respond to the June 22, 2004 administrative request by Supervisor Antonovich to report back on Councilmember Parks' proposal for a regional approach to the area's airport transportation needs.

If you have any questions regarding this manner, please contact me or your staff may contact Jerry Ramirez of my staff at (213) 974-4282.
